Gente,
a história acabou, mas há um
problema. O Godofredo devorou todos os
nomes dos capítulos. GRRR...

Encomendamos plaquetas novas com
os títulos, mas ele não se lembra mais
em que página estavam. Por favor,
ajudem o Godofredo a achar o lugar
certo. MUITÍSSIMO obrigada.

Bruxinha

Gente, tenho um recado para vocês.
A história não era essa que está no livro.
Não tinha Godofredo coisíssima nenhuma.
Acontece que ele entrou muito mal-educado,
sem pedir licença e mudou tudo.

Tenho certeza que vocês vão concordar
comigo. Ele é petulante, teimoso, egoísta,
cretino e bobo. Um verdadeiro animal!

Ele roubou a varinha e estragou toda
a minha história. Eu odeio ele!

Bem, na verdade ele também é um
pouco engraçado, charmoso, sentimental
e dono de uma personalidade marcante.
Um amor! Gente, o Godofredo é demais.
Eu adoro ele!
